

Obstacle Course Information:

Liberty PTA is excited to be hosting this event. Your support helps the PTA continue to provide our school assemblies, pay for bus transportation on field trips, fun activities like STEM night, Dr. Seuss & Friends night, trunk -n- treat, the Color Run, plus much more!

This year's event is the **Eagle Dash Obstacle Course** being held on **October 27th** (*updated day*) during the school day. The obstacle course will include slanted steps, a hay wall, commando crawl, and other challenges. There will be a minimum of 6 obstacles and the course will be tweaked so that all grade levels will have a blast!

The top grade will get a reward to be determined by the teachers. The top 3 student earners school wide will also get their own special prize! Every student who raises enough will get rewards like a t-shirt or a sweatshirt.

To begin fundraising for your student create their own fundraising page by following the steps below. **Remember to "Publish" the page when done editing:**

- Find your student's grade's "Team" in the "Leaderboard" above and click their grade's team.
 - Your child's donations will automatically contribute to their grade's goal!
 - The Leaderboard may take a moment to load.
- Click the "Join Team" button on your student's grade's page
 - Choose your method to log in (Facebook, Google, Email/Password, or Sign Up for a new account).
- Choose "Get Started" and then choose "Build Your Fundraiser"
 - If prompted choose to "Join Existing" campaign; do not create a new campaign.
- Finalize your page by:
 - Updating the title to include your student's name
 - Adding a picture
 - Updating the story if any changes are wanted
 - Adding a duration of 10/27/2021
- **After editing the page you must click "Publish"**
 - The option is on the bottom of the management bar on the left of your student's donation page
- Share your child's page with family and friends via email and social media (links are on the right of the page beneath the "Donate" button)
 - Donations cannot be made until the page is published per the steps above
